ONE DAY EVENT 2018 SUNDAY 23 SEPTEMBER 2018 COMPETITOR INFORMATION & DRAW

Thank you for entering the Bungendore Riding Club's
"All Real Estate New South Wales" One Day Event for 2018.
BRC would like to take this opportunity to thank you for your support and wish you
good luck and happy riding for the day!

REGISTRATION

The registration desk will be open from 7.30am on Sunday; you will need to collect your back number(s) and XC course maps from here. Back numbers need to be worn in all three phases. *You will need your own back number holder.* We will also have copies of Medical Arm Band forms available for those who do not have their own. If you are not a BRC member you will be required to present your current EA card on Registration - please ensure you have this with you. *No BRC or EA membership = no ride.*

COMPETITOR RESPONSIBILITY

Please ensure that you are familiar with the current rules for low-level eventing in NSW, which can be found at:

http://www.eventingnsw.equestrian.org.au/sites/default/files/2013_Rules_for_Low_Level_Events.pdf

Submission of an entry is deemed to be acceptance of these rules.

Helmets must comply with EA requirements as listed on www.equestrian.org.au. Failure to wear an approved helmet shall be penalised by elimination at the discretion of the Technical Delegate.

BODY PROTECTORS ARE COMPULSORY FOR THE CROSS-COUNTRY PHASE.

DRESSAGE: starts at 8.30am sharp!

- This is a timed draw, therefore times for dressage are **fixed**. Please be warmed up and ready to ride before your allocated time.
- Whips are NOT permitted in the arena.
- Riders **MUST** wear gloves.
- Callers are not permitted without the judge's permission.
- Competition attire and plaits, please.

SHOW JUMPING

- The showjumping will be run in **class height blocks** and as such the draw times are approximate and provided only as a guide. Under the direction of the Show Jump Marshal, riders with multiple horses and committee members may be required to ride ahead of you. Your understanding of this is appreciated.
- The course will be available for walking at the times indicated in the draw. There will be strictly no additional course walks once the class has commenced.
- Please report to the **Show Jump Marshal** when you arrive at the SJ arena ready for your round.
- On completion of your round, or upon elimination, you are to immediately leave the arena at a walk via the gate.

Riders should ensure they are ready to ride at their allocated times for Dressage and Cross Country. Once you have completed your dressage test, be prepared to show jump as early as possible, riders must give way to other riders with multiple rides and/or if riders are required to get to another phase in a timely manner.

CROSS COUNTRY: course open for walking from 7.30am

- The XC draw is in order of back numbers. Draw order for the Cross Country is fixed. Please maintain an awareness of the progress of this event and be ready to ride.
- Riders will start the course in number order; for riders with multiple rides please see the **Cross Country Marshal** if you unable to ride in your allocated spot.
- Class 1 (30cm) and Class 2 (45cm) will start on course at 2-minute intervals. Class 3 (60cm) and Class 4 (80cm) will start at 1-minute intervals.
- **Back protectors and medical arm bands are compulsory for the cross country phase and must be worn by all riders. Back numbers must also be worn.** If you have long hair don't forget to tie it up so that your back number is clearly visible to the XC jump judges.
- Please report to the **Cross Country Marshal** who will be located near the warm up jumps (see map). There is limited space at the warm-up jumps so the Marshal will limit the number of horses in the practice jump area to no

more than six at a time. There is plenty of room on the main arena for warming up prior to your warm-up jumps.

- If you are eliminated on course, you will be stopped, asked to dismount and immediately leave the course at a walk and by the most direct route. If you have a fall you are eliminated and must not remount.

Please remember when you are riding your cross country that you must follow the directions of the technical delegate and jump judges. If you are travelling slowly then you should allow anyone behind you who is travelling faster to pass in a safe manner.

You may be asked to move aside if you are having difficulties and if so you should do this immediately so as not to interfere with another rider. If you need to overtake please be courteous and do not attempt to do so in an unsafe or inappropriate manner. Please remember if you are an experienced rider to respect those who are less experienced.

You may be asked to stop on course if there has been a serious fall. Your time will be stopped and then re-started once you are permitted to resume your course. We hope that everyone has a safe and enjoyable round.

- The briefing for XC jump judges will take place at 10:30 in the canteen. All judges must be present.

Safety, Conduct & Dress

Riders are responsible for the safety of their mount and associated gear, and are bound by the rules of the competition. Please note that rules by which this competition is being run clearly state what can and cannot be allowed during each phase of the competition and it is the rider's responsibility to ensure they have read and understood the rules prior to riding at the event.

Riders are asked to disclose any medical conditions or allergies in order for BRC to provide the best assistance in the event of an incident. This information is not, and never will be, made available to the general public or anyone other than the Organising Committee, except in the case of an incident where intervention, medical or otherwise, is appropriate.

The Organising Committee reserves the right to refuse entry and/or continuation of the competition to any entrant deemed "unsafe or disruptive".

Riders and handlers must not be under the influence of alcohol or drugs prohibited by law during the competition. Failure to comply shall be

penalised by elimination at the discretion of the Technical Delegate.

Protests

- Protests must be lodged in writing with an accompanying fee of \$50 within 20 minutes of the results being posted. An announcement will accompany the posting of all results for each class but the Organising Committee is not responsible for any person not hearing or acting on the announcement.
- Protests will be considered by an appointed Ground Jury of three and results will be provided.
- The protest fee will only be refunded if the protest is deemed valid.

We hope you all have a FUN day!
