

BRC Presents:
Sunday 30 June 2024

NB - we are sharing the grounds with Amerigo Horsemanship, who are running a cattle clinic in the covered arena. Please do not use their area. We are using the outdoor sand arenas and the main arena.

Dressage, Show Jump and Sporting Club Day

Steph Fowler and Clint Hedger are a coaching team who are passionate about creating confident, capable riders. With over 40 years of combined experience, this dynamic duo works with riders of all levels and abilities, helping them to discover deeper connection and improve performance.

Dressage Test riding with Steph Fowler

Riders with Steph will either have the option to start on the ground to prepare your horse for a calm and enjoyable ride. The other groups will focus on techniques for warm up, riding and improving your connection with your horse - build the foundations for any horse riding discipline.

Jump out of the Financial Year with Clint Hedger

Riders may choose either poles - 30cm, 30 – 45 cm or 45 – 60 cm height groups (but these heights may be flexible depending on entries).

The Bungendore showjump arena is out of action whilst we remediate the surface. Jumping riders will learn you can still practice jumping in a dressage arena! Come along and get ideas on how you can set up your small riding space to improve your jumping and have a bit of fun in the process.

Sporting with Dave Thistleton

Barrels, bending, keyhole and more will be on offer - if you want to learn what dual barrel racing is join a sporting group with Dave. No pace is too slow for sporting.

All groups will start at 10am.
